

PRESS RELEASE

June 28, 2011

Powers and Sons, LLC, based in Montpelier Ohio, receives the Chrysler Certificate of Achievement in recognition of outstanding performance for the 2011 model year. Chrysler evaluated our company based on supplier performance in areas such as quality, delivery, cost, warranty, partnership and input from Chrysler Group senior leadership.

Powers and Sons LLC is a leading OEM automotive supplier that offers complete full service design and engineering expertise for steering and suspension systems and products such as tie rod ends, pitman arms, track bars and drag links. We also supply the military industries with the same array of products.

Powers and Sons LLC has been in business since 1932 and has operations located in Montpelier and Pioneer Ohio as well as Juarez Mexico.
